

### **Life Group Leader Covenant Agreement**

We are so excited you would consider joining The House Life Group Leadership Team. We believe this is a way for you to use your God-given gifts and open your home so people may come to a greater understanding of Christ. Below are a few requirements we want everyone to be aware of before leading a life group. Also we have a few thoughts in order for you to have a productive life group season.

#### **Life Group Requirements:**

We think it is awesome you want to help build what is happening here at The House. With this being said, we have a few requirements for our leaders.

- 1) Every Life Group Leader must finish Framework. Framework is a conversation, the DNA of The House. We want to make sure everyone is on the same page with where The House is going.
- 2) Every Life Group Leader must support The Vision and Leadership of The House and comply with the House Membership agreement of the House which are listed below:
  - a) I will protect the unity of my church.
  - b) I will share the responsibility of my church.
  - c) I will serve the ministry of my church
  - d) I will support the testimony of my church
- 3) Every Life Group Leader needs to have been actively involved in a season of life groups at The House. Our process is you ATTENDED, have been a HELPER/CO-LEADER then step into the role of a LIFE GROUP LEADER.
- 4) Every Life Group Leader must attend the life group training which meets at the beginning of each Life group season.
- 5) Every Life Group Leader must start and end with The House life group season.
- 6) Every Life Group Leader needs to understand each Life group has accountability and each leader will be contacted about their group by our Life Group Coaches.
- 7) Every Life Group Leader needs to be regularly tithing to The House.
- 8) Every Life Group Leader must work with Adam, Cheri, and The House calendar so we can keep a consistent time and schedule for each life group.
- 9) Every Life Group Leader must attend 75% of Dream team meetings.

#### **Life Group Thoughts to consider:**

1. Each group must be built.
2. Each group must have weekly contact through text, social media, or face to face.
3. The most successful life groups are not event-based groups, but they have a spiritual and social stickiness which causes everyone to be a part.
4. Be early and end on time. Have time available to prepare any and all material.
